1. Indian River Lagoon
  - Feasibility Report undergoing Washington review
  - PMP for special PIR under development
2. Ten Mile Creek
  - Working Cultural Resource issue

# Northern Palm Beach County

1. North Palm Beach County
  - PMP underway
  - Loxahatchee River
2. C-51/STA-1E
  - 6 Contracts underway
3. LWNR Internal Structures
  - Not started
4. Winsberg Farms
  - PMP being prepared.
5. L-8 GRR
  - Terminated
6. Recon for 245k
  - Ongoing

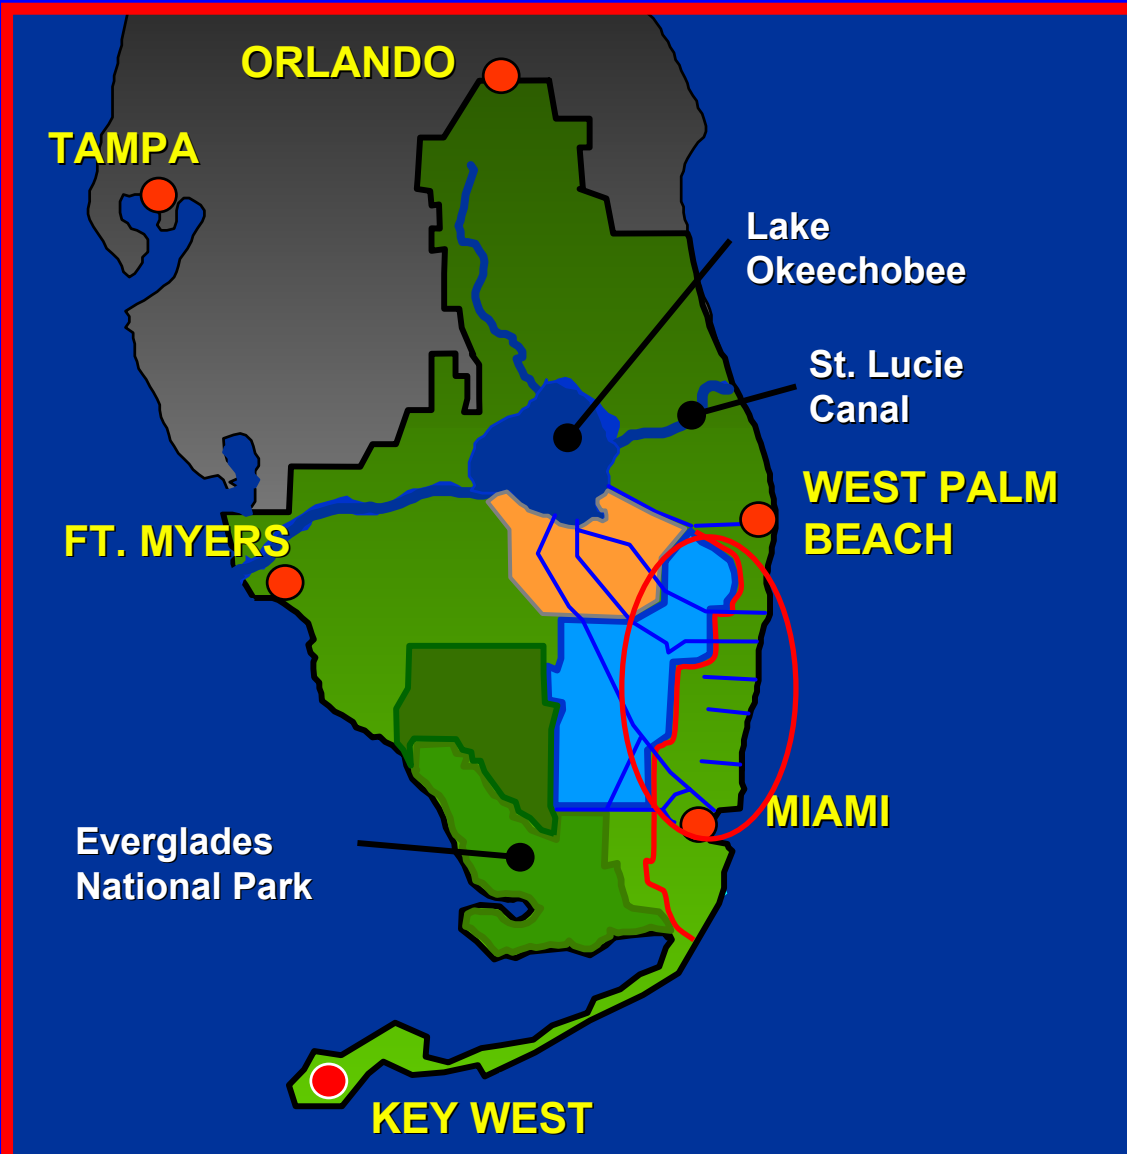

# Water Preserve Areas

1. Acme Basin B
  - PMP underway
2. Strazzulla
  - Not started
3. Palm Beach Cty Ag Reserve
  - Not Started
4. Hillsboro Site 1
  - PMP underway
5. C-11 Critical Project
  - S-9A completed
  - S-381 being redesigned
6. C-11 CERP Project
  - PMP being prepared
7. C-9 CERP Project
  - PMP being prepared
8. WCA 3A/3B Seepage management.
  - PMP being prepared
9. Broward Cty Canals
  - PMP being prepared

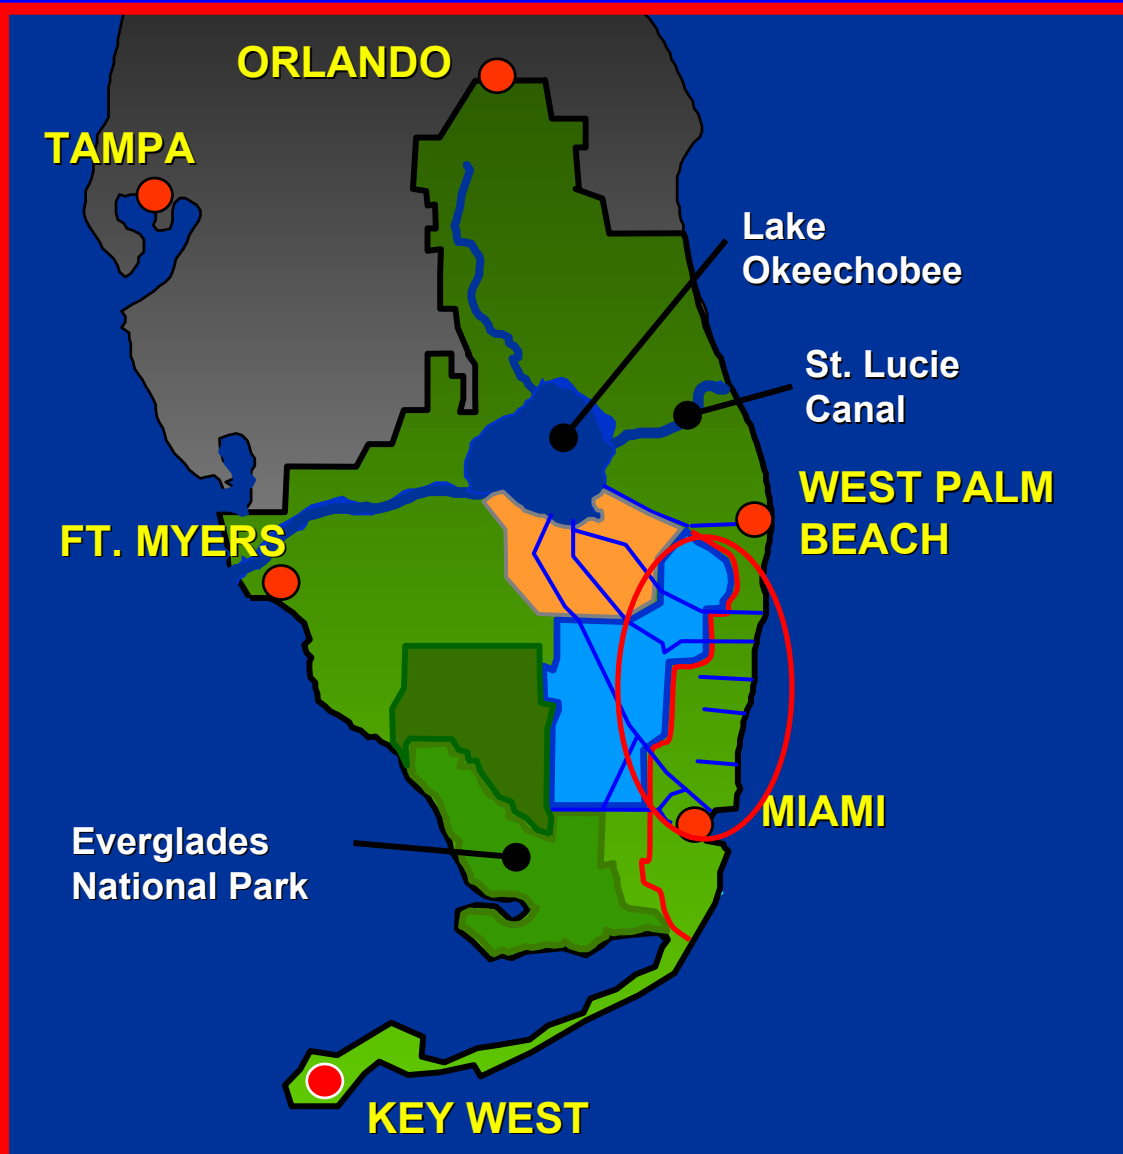

# Miami-Dade County

1. Waste Water Reuse Pilot
  - Design underway
2. Lakebelt Inground Pilot
  - Design ongoing
3. Biscayne Bay Coastal Wetlands
  - PMP nearing completion
4. C-4 Critical Project
  - Construction nearly complete
5. C-4 GRR
  - Proceeding with evaluation
6. C-4 CERP Project
  - Not started
7. Lake Belt Storage (N&C)
  - Not started

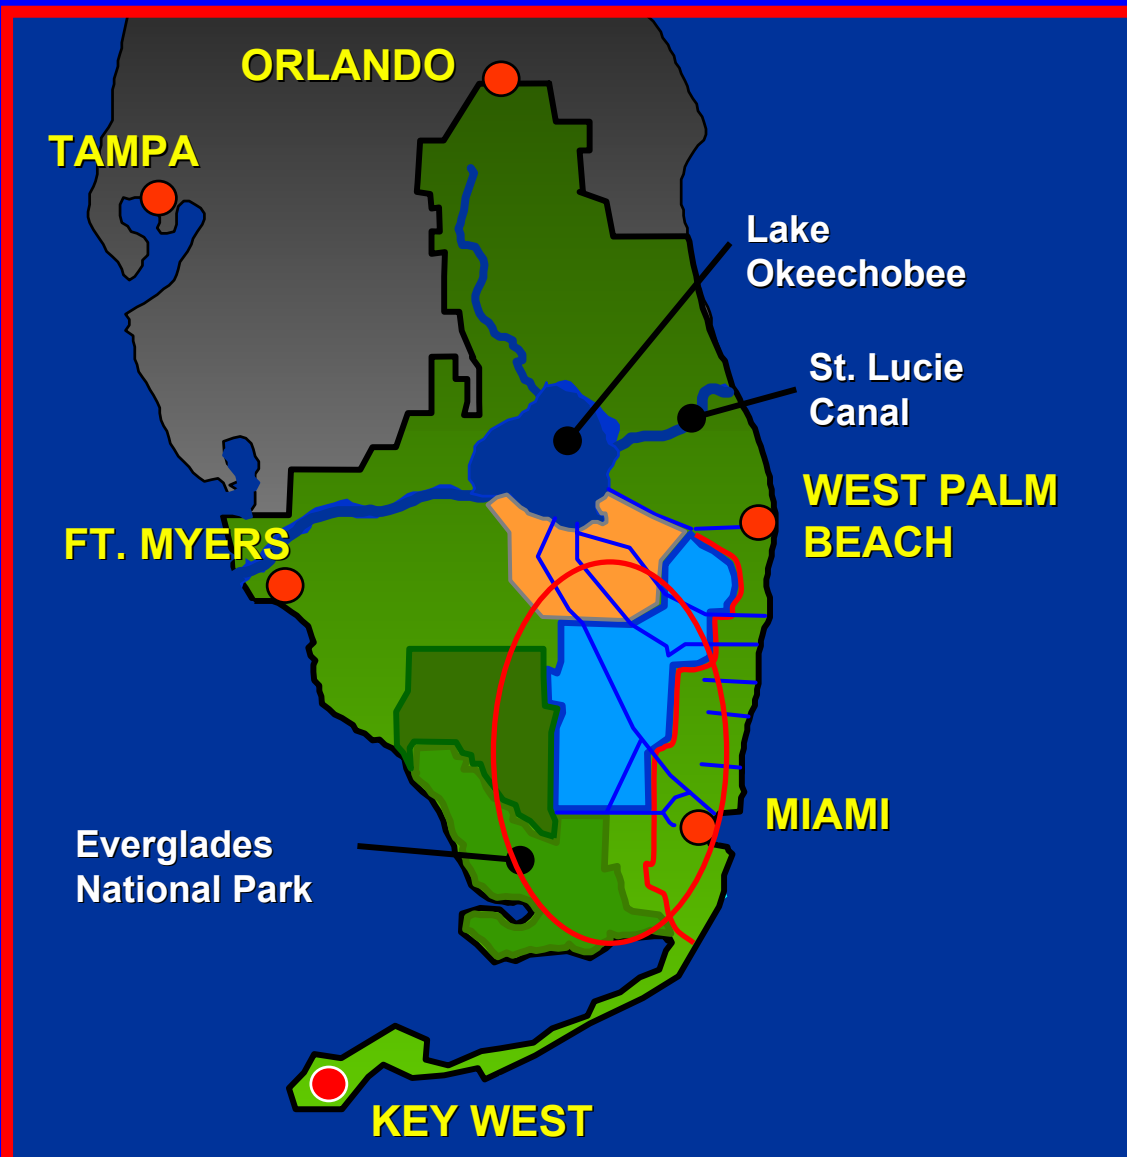

# Miami-Dade County (cont'd)

(Continued)

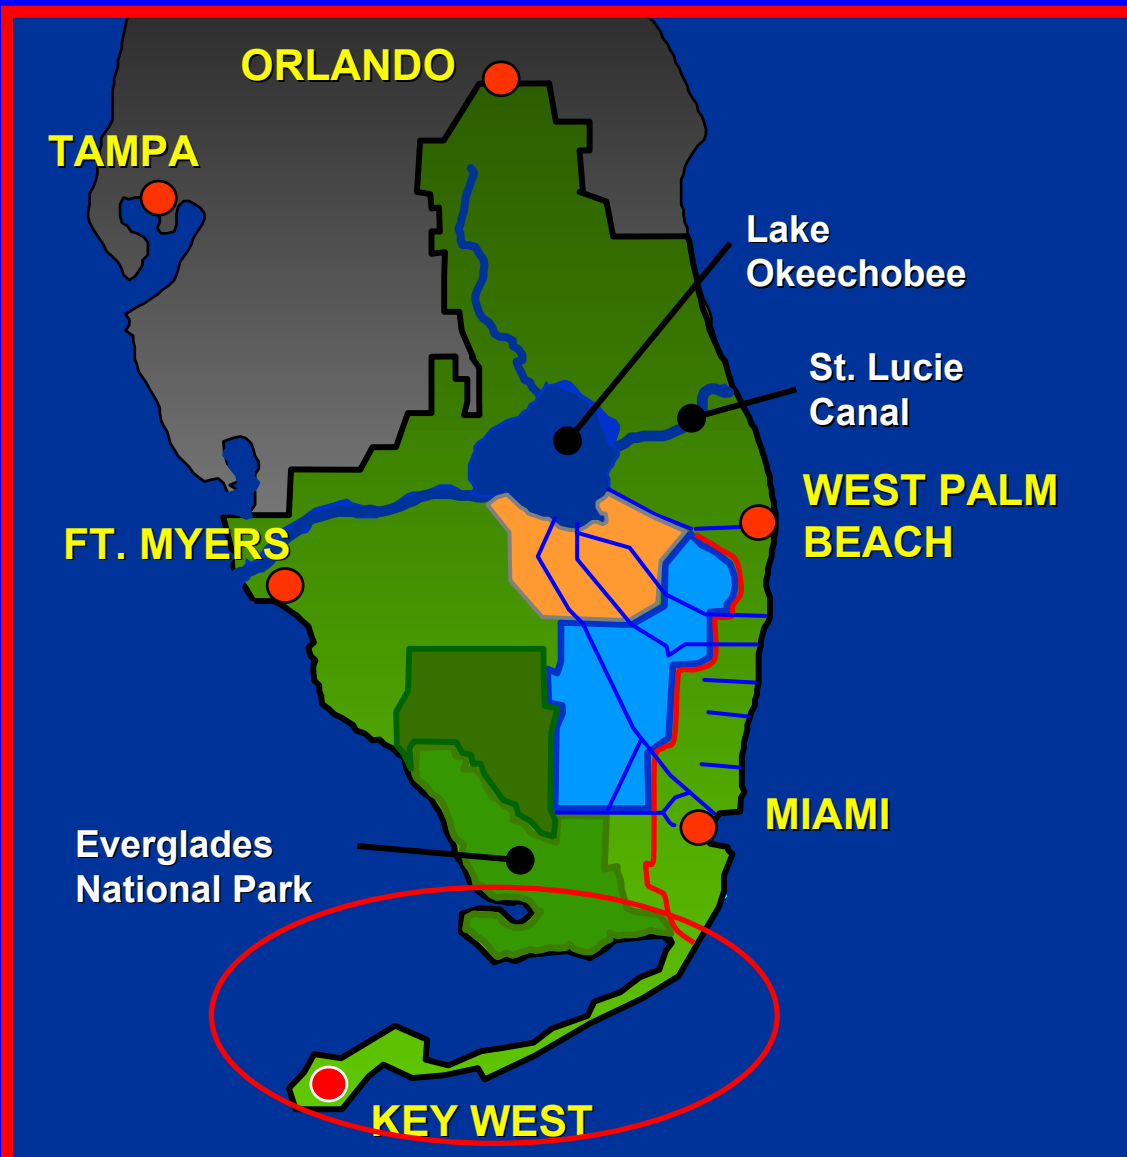

- 8. Bird Drive Recharge Basin
  - PMP Initiated
- 9. Flow Diversion from WCA to CLB
  - PMP Starting
- 10. Flow Diversions from WCA to Natural areas
  - Not started
- 11. Miami-Dade Canal Study
  - Preparing Recon
- 12. Miami Wastewater Reuse
  - Not started

# Everglades, Florida Bay, Florida Keys

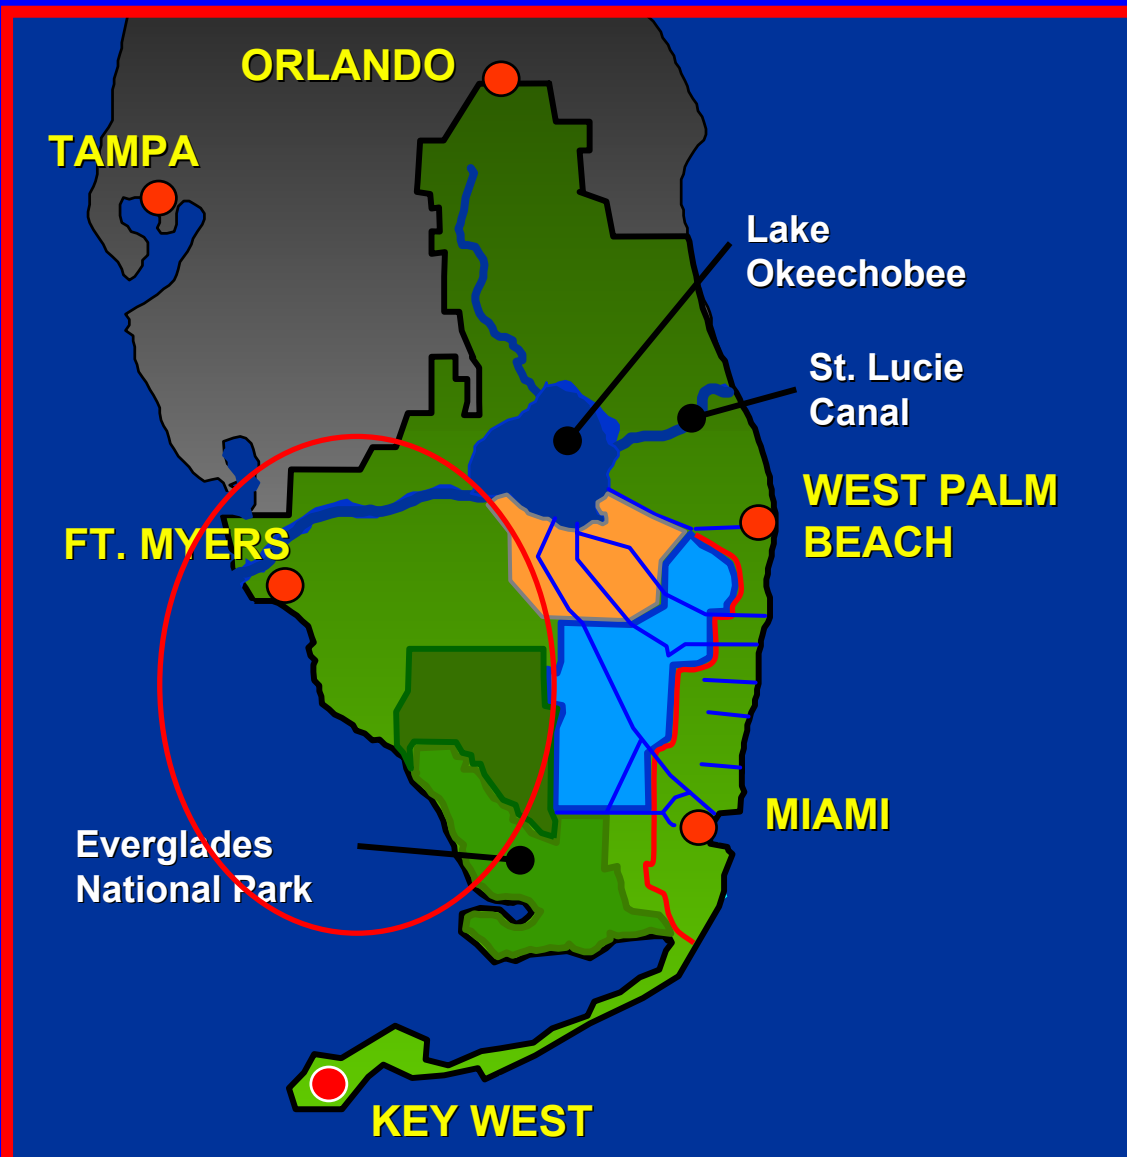

1. WCA Decomp – Part 1
  - Partially suspended
2. Mod Waters
  - Partially Suspended
3. C-111
  - Working HQ approval of GRR
4. C-111 Spreader Canal
  - Work on PIR underway on performance measures
5. L-31 Seepage Pilot
  - Design underway
6. North New River
  - Combining with Decomp
7. Pineland/Hardwood
  - Not started
8. Miccosukee Water Mgmt Plan
  - Not started
